

Director of Revenue Cycle

Princeton Medical Group, P.A.

Job Location: Princeton, NJ

Full Time/Days

JOB SUMMARY:

We are seeking a strategic, results-driven Director of Revenue Cycle to lead and optimize the full revenue cycle across our organization. This role oversees end-to-end revenue operations, drives financial performance through data-driven insights, and partners closely with executive leadership to strengthen reimbursement, compliance, and operational efficiency.

MINIMUM REQUIREMENTS:

- 7+ years of healthcare revenue cycle management experience (ambulatory or multispecialty preferred)
- 5+ years of people management experience
- Deep knowledge of CPT, HCPCS, ICD-10, RVUs, and payer reimbursement policies
- Strong experience with EMR/EPM systems (NextGen experience a plus)
- Proven ability to analyze data, lead change, and improve financial performance
- Excellent communication, leadership, and problem-solving skills

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Healthcare Administration, Business, Finance, or related field (related Master's degree strongly **preferred**)

ADDITIONAL INFORMATION:

- This position is fully on-site at our Princeton office.
- Minimum in-office hours Monday to Friday 8:30 am to 5:00 pm
- In-office position
