

Senior Compliance Investigator

UCLA Health

Job Location: Los Angeles, CA

Full Time/Days

JOB SUMMARY:

Support a high-impact compliance investigation function focused on integrity, risk mitigation, and regulatory accountability. The Senior Compliance Investigator leads and conducts compliance investigations involving potential regulatory concerns, including fraud, waste, abuse, and violations of federal and state regulations and UC and organizational policies. This role involves gathering and analyzing evidence, conducting interviews, preparing investigative reports, monitoring corrective actions, and partnering with stakeholders to strengthen compliance across the enterprise.

MINIMUM REQUIREMENTS:

- Minimum of seven years of experience conducting investigations, preferably within a healthcare setting or involving healthcare compliance matters.
- Strong knowledge of federal and state healthcare regulations, including Stark Law, Anti-Kickback Statute, and related laws.
- Demonstrated experience leading investigations, interviewing witnesses, analyzing evidence, preparing investigation reports, and managing corrective action follow-up.
- Experience developing or contributing to educational content or compliance training materials.
- Strong analytical, problem-solving, critical-thinking, organizational, and communication skills.
- Ability to manage multiple investigations, competing priorities, and sensitive matters with sound judgment and professionalism.
- Ability to work effectively with senior management, staff, and cross-functional stakeholders in a complex environment.
- High level of integrity, ethical conduct, and commitment to maintaining confidentiality.
- Proficiency with Microsoft Office applications.
- Experience working with compliance tracking systems or databases and maintaining detailed documentation.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree from an accredited academic institution or equivalent experience.

PREFERRED:

- Advanced degree, such as a JD or Master's degree, is preferred.
- Prior experience as an investigator with a local, state, or federal law enforcement or regulatory agency, such as HHS OIG or FBI, is highly desirable.
