

Chief Compliance Officer

TidalHealth Corporate
Job Location: Salisbury, MD
Full Time/Days

JOB SUMMARY:

The Chief Compliance Officer (CCO) provides strategic leadership and oversight of TidalHealth's compliance program, ensuring adherence to all applicable healthcare laws, regulations, and accreditation standards. Reporting to the Vice President and General Counsel, the CCO promotes a culture of integrity while proactively identifying and mitigating regulatory and operational risk. This role partners with executive and clinical leadership to ensure effective governance, regulatory compliance, education, monitoring, and continuous improvement across the organization.

MINIMUM REQUIREMENTS:

- At least ten (10) years of progressive healthcare management experience up to the Senior Director leadership level.

EDUCATION/LICENSES/CERTIFICATIONS:

- Master's Degree in Healthcare/Nursing/Business Administration or Organizational Development required.
- Certified as a CHC (Certified in Healthcare Compliance) is required within one year from date of hire or transfer into role.
- CHPC (Certified in Healthcare Privacy Compliance) or CCEP (Certified Compliance & Ethics Professional) is preferred.
