

# Director of Regulatory Compliance (Behavioral Health)

## Arizona Autism United (AZA United)

Job Location: Phoenix, AZ

Full Time/Days

### JOB SUMMARY:

The Director of Regulatory Compliance is responsible for developing, implementing, and overseeing the organization's compliance program to ensure adherence to state and federal regulations, accreditation standards, contractual requirements, and organizational policies.

The Director is responsible for ensuring the organization has the necessary infrastructure to monitor compliance and operational efficiency across the organization. This position works collaboratively across departments to identify and mitigate risk while promoting a culture of ethics, integrity, and accountability.

The Director provides leadership and direct oversight of the organization's compliance, quality assurance, investigations, training, and risk mitigation activities.

### MINIMUM REQUIREMENTS:

- Minimum 5 years of leadership experience managing professional staff and cross-functional teams
- Minimum 5 years of experience in healthcare compliance, regulatory affairs, internal audits, risk management, etc.
- Experience working with Medicaid-managed care, AHCCCS, DDD, behavioral health, home and community-based services, or related human service programs strongly **preferred**.
- Experience with nonprofit, human services and/or healthcare organizations strongly **preferred**
- Successfully pass a background check, able to obtain a Fingerprint Clearance Card, and meet other related hiring requirements
- Computer Proficiency: Windows & MS Office (Outlook, Word, Excel, Power Point, etc.), other enterprise systems and databases

### EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in related field required (Healthcare Administration, Public Health, Business Administration, Health Information Management, etc.)
- Master's degree **preferred**
- **Preferred** Certifications include Certified in Healthcare Compliance (CHC) or Certified in Healthcare Privacy Compliance (CHPC)

### ADDITIONAL INFORMATION:

- LOCATION: 80% Remote + 20% In-Office (must be willing to travel to ALL AZA locations, as needed)
