

Facility Chief Financial Officer

NeuroPsychiatric Hospitals

Job Location: Remote

Full Time/Days

JOB SUMMARY:

NPH is adding a Chief Financial Officer (CFO) to serve our patients and leadership team in Kalamazoo. The CFO will have oversight and accountability for overall financial operations and day-to-day fiscal management of the hospital. This is a new position due to the growth of our organization!

MINIMUM REQUIREMENTS:

- Minimum of 5 years of progressive financial leadership experience in a healthcare setting required, including experience leading hospital or facility-based financial operations (e.g., Director of Finance, Controller, or similar roles).
- Prior experience serving as a Chief Financial Officer or in a senior finance leadership role preferred.
- Completion of the NPH CFO-in-Training Program may be considered in lieu of direct CFO experience.
- Behavioral healthcare experience highly preferred.
- Must live within market being served.
- Excellent financial analysis skills.
- Advanced proficiency with software packages including Excel and Word.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Healthcare Administration, Business Administration, Public Health or Clinical Discipline **required**.
- Master's degree **preferred**.
- Certified Public Accountant (CPA) **preferred**.
