Revenue Cycle Analyst -Healthcare Operations

Sheridan Community Hospital
Job Location: Sheridan, MI
Full Time/Days

JOB SUMMARY:

Sheridan Community Hospital is seeking a Revenue Cycle Analyst with healthcare revenue cycle, financial, or operational experience to support data-driven decision-making across our hospital and clinic operations.

In this role, you will analyze revenue cycle performance, monitor key financial and operational metrics, support reporting and forecasting, and identify opportunities to improve reimbursement, patient access, operational efficiency, and the overall financial sustainability of the organization.

MINIMUM REQUIREMENTS:

- Minimum of five (5) years of healthcare revenue cycle, billing, coding, or reimbursement experience.
- Experience preparing healthcare reimbursement reports and analyzing payer contracts preferred.
- Knowledge of Medicare, Medicaid, TRICARE, managed care reimbursement methodologies, and healthcare regulations.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in finance, Business Administration, Healthcare Administration, or a related field, or an equivalent combination of education and relevant experience.

ADDITIONAL INFORMATION:

- Candidates must currently reside in Michigan.
