Health Services Revenue Cycle Manager

Benton County's Health Department
Job Location: Corvallis, OR
Full Time/Days

JOB SUMMARY:

The Health Services Revenue Cycle Manager will have the opportunity to lead revenue cycle operations across an integrated county healthcare system, including primary care, behavioral health, and public health services. This position combines operational leadership, staff supervision, financial performance improvement, and healthcare systems optimization. The successful candidate will play a key role in improving reimbursement processes and supporting sustainable healthcare services for our community.

MINIMUM REQUIREMENTS:

- Five (5) years of professional experience in healthcare revenue cycle, healthcare finance, reimbursement, billing operations, healthcare business systems, or a closely related area, including at least three (3) years of management or supervisory experience.
    - Please note: Supervisory experience includes the authority to hire, terminate, assign, reward and discipline other employees.
- An equivalent combination of education, training, and experience that demonstrates the required knowledge, skills, and abilities may be considered.

PREFERRED KNOWLEDGE, SKILLS & ABILITIES:

- Demonstrated knowledge of healthcare revenue cycle operations, including claims processing, denials, accounts receivable, payment posting, and reimbursement.
- Experience with Medicare, Medicaid, managed care, healthcare billing systems, and performance improvement.
- Ability to analyze revenue cycle data, optimize workflows, supervise staff, and collaborate across clinical and administrative teams.
- Experience with FQHC reimbursement, Epic/OCHIN, and government healthcare operations is preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree from an accredited college or university in Healthcare Administration, Business Administration, Health Information Management, Health Informatics, Finance, Accounting, Public Administration, or a closely related field required.
