IP Auditor

Healthcare Coding & Consulting Services (HCCS)
Job Location: Remote
Full Time/Days

JOB SUMMARY:

Healthcare Coding & Consulting Services (HCCS) is seeking experienced Full-time and Part-time IP Auditors to join our growing team. This is a fully remote opportunity for a highly skilled coding professional with extensive experience in DRG validation, inpatient auditing, and complex inpatient coding.

At HCCS, we are committed to providing stable, long-term careers. Every member of our team is a direct-hire W-2 employee who plays an important role in delivering high-quality coding services to our clients. We proudly keep all coding operations within the United States, allowing us to maintain exceptional quality while supporting American coding professionals.

If you have a strong background in DRG validation, inpatient auditing, and complex trauma coding, we encourage you to apply.

MINIMUM REQUIREMENTS:

- Minimum of 3 years of recent APR-DRG/DRG coding experience in a Level II Trauma Center or higher.
- Minimum of 1 year of recent inpatient auditing experience in a Level II Trauma Center or higher.
- Previous IP Auditing experience required.
- Strong knowledge of ICD-10-CM/PCS coding guidelines, MS-DRG/APR-DRG assignment, reimbursement methodologies, and documentation requirements.
- Ability to identify coding opportunities, validate DRG assignment, and provide clear audit findings.
- Excellent written and verbal communication skills with strong attention to detail.
- Must reside in the United States.

EDUCATION/LICENSES/CERTIFICATIONS:

- High school diploma or equivalent **required.**
- Active AHIMA or AAPC coding certification **required**.
    - CCS, RHIT, or RHIA certification is **required.**
- CDIP and/or CCDS certification **preferred**.
