Vice President, Revenue Cycle

AllHealth Network
Job Location: Englewood, CO
Full Time/Days

JOB SUMMARY:

The Vice President, Revenue Cycle is responsible for improving the overall financial health of AllHealth Network by maximizing revenue, reimbursement, and revenue cycle effectiveness. This role leads enterprise revenue cycle strategy, governance, and performance improvement across AllHealth Network, including reimbursement optimization, revenue integrity, compliance, process design, and cross-functional coordination with finance, clinical operations, technology, and payer-related functions.

This position reports to the Chief Financial Officer and provides leadership to assigned revenue cycle functions, including the Director of Revenue, Credentialing Supervisor, and Certified Professional Coder/Auditor.

MINIMUM REQUIREMENTS:

- Ten or more years of progressive revenue cycle leadership experience required, including enterprise revenue cycle strategy, reimbursement analysis, payer contract support, revenue integrity, process improvement, and leadership of revenue cycle teams or functions.
- Demonstrated experience with full-cycle reimbursement, including payer requirements, managed care reimbursement, contract compliance, denial trends, authorization processes, and revenue stream enhancement.
- Experience with electronic health record systems and technology-enabled revenue cycle improvement.
- Strong knowledge of reimbursement, payer requirements, revenue integrity, billing compliance, authorization processes, denials management, and revenue cycle reporting.
- Ability to lead revenue cycle strategy, governance, performance improvement, and cross-functional change across clinical, finance, technology, and operational teams.
- Ability to communicate complex financial and operational information clearly while building trusted relationships and holding teams accountable for revenue cycle outcomes.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree or equivalent combination of education and experience required.
