Vice President of Audit and Compliance

Aeroflow Health
Job Location: Asheville, NC
Full Time/Days

JOB SUMMARY:

The Vice President of Audit and Compliance leads Aeroflow Health's healthcare compliance and audit programs across its business units and applicable subsidiaries. This role develops practical controls to support compliant operations, accurate billing, and readiness for payer and regulatory review. Reporting directly to the General Counsel, the leader oversees internal compliance audits, external payer audit responses, compliance investigations, and corrective action, and provides candid reporting on material risks and program effectiveness.

MINIMUM REQUIREMENTS:

- At least eight years of progressive healthcare compliance, audit, reimbursement, or regulatory experience, including at least three years leading a team or a significant enterprise program.
- Substantial experience with Medicare, Medicaid, and commercial payer requirements, healthcare billing and documentation audits, external payer reviews, and corrective action.
- Working knowledge of healthcare fraud and abuse requirements, including the False Claims Act, Anti-Kickback Statute, and applicable state requirements; ability to identify issues requiring legal advice.
- Demonstrated ability to conduct sensitive investigations, analyze claims and operational data, communicate findings clearly, and influence leaders across business functions.
- Experience with DME suppliers, multistate healthcare operations, telehealth, or patient education programs.
- Experience improving audit workflows, implementing compliance dashboards, and supporting acquisitions or rapidly growing healthcare organizations.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in healthcare administration, business, accounting, nursing, or a related field, or an equivalent combination of relevant education and experience.
- Juris Doctor strongly **preferred**
- Certified in Healthcare Compliance (CHC)
